

## EC Block Exemption Regulation Statement of Quality

# ORIGINAL EQUIPMENT QUALITY\*

\* SUPLEX aftermarket products are either  
Original Spare Parts or Spare Parts of Matching Quality

### Statement according to BER 461/2010, Art. 101(3)

The spare parts which SUPLEX GmbH supply fulfil the requirements in accordance with the European Commission Block Exemption Regulation 461/2010 of 27 May 2010 to categories of vertical agreements and concerted practices in the motor vehicle sector and with the Supplementary Guidelines of the European Commission of 28 May 2010.

The 'spare parts of matching quality' comply with the high quality provided in this Regulation and these Guidelines and are especially intended for the use for the provision of repair and maintenance services by authorised repairers.

SUPLEX GmbH is an ISO 9001 : 2008 certified company  
(TÜV Registration-No. 12 100 41152)
